

## Carbon accounting software and what it can do

	Consultancy?	Does it analyse spend data?	Does it consolidate emissions from multiple entities?	Does it record emissions in entities in other regions or countries?	Does it record emissions under Scope 1* or Scope 2†?	Does it record emissions under Scope 3‡?	Does it include training for accountants?	For enterprise?	For small and medium businesses?	Headquarters	Operation jurisdiction	Accounting software integrations
